The donors listed in this report contributed during the fiscal year from July 1, 2013 to June 30, 2014. Despite our best efforts, sometimes errors occur. Please let us know about any corrections by contacting the Advancement Department at advancement@lancasterseminary.edu or (800) 393-0654.
We are so thankful to you, our faithful donors and generous supporters, who demonstrated your affection for and commitment to Lancaster Theological Seminary by making a financial donation during the fiscal year July 1, 2013 through June 30, 2014.

For the second year in a row, your gifts to our annual fund topped $1 million! Your support makes it possible for us to continue to provide the highest quality educational support to transformational leaders who will serve the church now and well into the future.

The excellence of our programs was underscored in 2014 by the achievement of a major milestone: reaccreditation by both the Middle States Association of Colleges and Schools and the Association of Theological Schools for the next 10 years, the maximum time allowable. ATS noted our distinctive strengths: outstanding leadership, commitment in facing institutional racism, and responsiveness to student well-being.

We give thanks to God for all of you who have blessed us with your gifts. With this positive momentum and renewed energy, we are able to carry out our mission: to educate and nurture leaders to join in God’s redemptive and liberating work so that all creation may flourish.

Lighting upgrades in historic Dietz Refectory were made possible by a gift from the S. Dale High Family Foundation.
We are very grateful to the many friends who choose to make Lancaster Theological Seminary a philanthropic priority. It is through your steadfast support that Lancaster Seminary continues to produce strong leaders of faith for the church and society.

**LEADING …**

**A BOLD INVESTMENT**

Our unique Master of Divinity program debuts in August 2015 after nearly a year in development. This “bold investment in community” offers a refreshed curriculum and two options, a weekday program and a weekend program, that make it realistically possible to combine work and school.

Dr. David Mellott, Seminary Dean and Vice President for Academic Affairs, says, “People want to cultivate lives that matter to themselves and to others. Our newly designed degree program will help students engage human existence more deeply and teach them to put their talents at the service of God’s vision for a world where all creation flourishes.”

**THE FIGHT FOR EQUALITY CONTINUES**

Our unique Master of Divinity program debuts in August 2015 after nearly a year in development. This “bold investment in community” offers a refreshed curriculum and two options, a weekday program and a weekend program, that make it realistically possible to combine work and school.

Dr. David Mellott, Seminary Dean and Vice President for Academic Affairs, says, “People want to cultivate lives that matter to themselves and to others. Our newly designed degree program will help students engage human existence more deeply and teach them to put their talents at the service of God’s vision for a world where all creation flourishes.”
Marking the 50th anniversary of the enactment of the Voting Rights law along with other civil rights milestones, several of our own “courageous clergy” returned to campus to share their memories of the turbulent 1950s and 60s. Moderated by Rev. Dr. Nathan Baxter, ’76/’84 (center), the panel included (from left) Rev. Dr. Jack Seville, ’64/’73; Rev. Dr. Herbert Davis, ’60; Rev. Dr. Doyle Luckenbaugh, ’65; Dr. Paul Irion, professor emeritus.

Rev. Dr. William Rader, ’54, said, “Remember that the struggle is a spiritual one...prayer is vital for those who seem to stand in the way and for deeper understanding, patience, and hope.”

In addition, Dr. Stephanie Crumpton, Assistant Professor of Practical Theology, led a series of Testify conversations that engaged our campus and the community in deep and thoughtful explorations of race and justice.
We are enormously grateful for the steadfast commitment and support of Alumni/ae gifts help to advance Lancaster Seminary on multiple levels and we are enormously grateful for the steadfast commitment and support of our faithful graduates who contributed last fiscal year.
MECK & MOSS AWARDS HONOR DISTINGUISHED ALUMNI

Each year the Seminary presents outstanding alumni/alumnae of any denomination, nominated by their peers, churches, or other organizations, with our highest alumni/alumnae honors: The Robert V. Moss Award for distinguished service in specialized ministry, and The Allen S. Meck Award for distinguished service in pastoral ministry.

The 2014 Meck Award was presented to The Rev. Dr. Jason Leader, ’00, ’10, pastor of St. Jacob’s (Stone) UCC, Glennville, PA, for his outstanding leadership in revitalizing the church, growing the congregation, and increasing its mission work.

The 2014 Moss Award was presented to The Right Rev. Dr. Nathan Baxter, ’76, ’84, retired bishop of the Episcopal Diocese of Central Pennsylvania, for reorganizing the diocese to encourage, educate and empower lay ministries, initiating a clergy wellness program, and using new media to communicate the Gospel.

We are so very blessed by the longstanding friendship that we have with local congregations and regional judicatories, which dates back to the Seminary’s founding in 1825. We value these partnerships tremendously, particularly in these times of scarcity.
