LTS Weather & Emergency Closure Policy
Effective 31 January 2011

Effective immediately, we are revising the LTS Weather/Emergency Closure Policy. Every effort will be made NOT to cancel classes in the case of inclement weather.

1. How will information be available?

If bad weather occurs, or an emergency should arise, information regarding Seminary delays, cancellations, or closings will be posted on the LTS website: www.lancasterseminary.edu.

Information regarding Seminary delays, cancellations, or closings will also be recorded on the Seminary main telephone number: 717-393-0654 and sent via email to “everyone@lancasterseminary.edu.”

Information regarding Seminary delays, cancellations, or closings WILL NOT be submitted to television and radio stations or other web sites.

*Those responsible for program planning should alert participants about consulting the LTS website and main phone number for any delays, cancellations, or closings.*

2. When will the information be available?

Should the Seminary need to delay opening in the morning, every effort will be made to update the LTS website by 6:30 AM. However, should weather conditions change or worsen or should campus accessibility become a concern, the Seminary may update the status of delay or opening. Please consult the three sources named above for the most accurate and up to date information.

3. What if I am stranded at the seminary?

In the case of inclement weather, please be aware of the weather where you are and in Lancaster; you need to decide if it is safe for you to travel.

If severe weather should occur after you are here at the Seminary, limited space is available for emergency overnight stays. We suggest that you keep an "emergency kit" of linens, a change of clothes, toothbrush, etc. in your car—just in case! Emergency kits are also available in the SCC Food Bank. See the Assistant in the Business Office, or call 717-290-8725, if you become stranded because of the weather and you will be charged a student rate for a room only.
